INVITATION TO SUBMIT LOGO DESIGN

In August 2016, the City of Gillette will be celebrating its 125th anniversary. As part of the festivities, the Celebration Committee is seeking a logo design tailored to this celebration to use on all of its promotional materials for this event.

The City of Gillette invites all interested persons to submit proposed logo designs for consideration as the official 125th Anniversary logo.

All entries will be reviewed by the 125th Celebration Committee. They will select three (3) designs for consideration by Gillette Mayor Louise Carter King, who will make the final selection.

The designer of the winning logo will receive \$125 in Downtown Dollars and Gillette Gold Bucks, as well as public acknowledgment of their contribution to the year's festivities.

Logo Design Criteria

Designer must be a resident of Campbell County.

Designs may be submitted in any format, but will need to be digitized. Please keep this in mind for clarity in reproduction.

Designs should capture the nature/theme of the 125th Anniversary.

Designs must incorporate the original Gillette zip code 82716, as well as the date of the culminating event, August 27, 2016.

Designs may be in any color scheme.

All submitted designs must be original work of the submitting artist.

Winning designer must be willing to transfer all rights, title, and interest in the selected logo to the City of Gillette, to utilize at its sole discretion.

The City of Gillette intends to register the chosen logo as its trademark.
